**Breeder Directory Application**

The BARRC Website includes a Breeders Directory which lists club members who have paid a fee to be listed as a breeder. A disclaimer is included on the website that states:

**“BARRC makes no recommendations nor warranties with respect to any dog that may be obtained from any breeder on this list.”**

**To be listed as a breeder, all of the following requirements must be met**

1. Must be a BARRC voting member and have been a member for a minimum of one year at the time of application submittal.
2. Must reside in Northern California, or if outside Northern California, in an adjacent or nearby area that is not represented by a local Rhodesian Ridgeback breed club.
3.  **Check Box** To indicate that you agree to abide by the BARRC Code of Ethics which lists and identifies among other items, recommended breeding and mentoring practices.
4. Must participate in **three** club functions in the past year. Club functions include membership meetings, BARRC-sponsored events such as fun matches, lure coursing practices, herding clinics, and other club activities that may be scheduled during the year. Participation means attending a club meeting, participating in the planning and/or operating of an event or other BARRC activity, or participating in a BARRC event itself, or helping with rescue efforts including fostering, transporting, or veterinary care. One participation event must be attendance at a BARRC membership meeting. For attendance at a BARRC meeting to be counted, the attendance sheet must be signed by the member. Only one participation item per day of events may be counted toward meeting the three participation requirements.  
  
The goal of requiring attendance at BARRC meetings and/or participation in BARRC events is so that BARRC members can become familiar with all breeders on the list and so that all breeders on the list are involved with the club's functions and activities. This will also help ensure that new breeders and breeders new to the club have access to mentors, and that potential puppy/dog buyers will more easily be able to become familiar with all breeders on the BARRC Breeders Directory list.
5. Must complete this form and pay a **\$50.00** fee to BARRC. (Listing on the Breeders Directory runs through December 31, including renewal grace period of January 31.)
